An exceptional healthcare experience from Accolade

Convenient and high-quality healthcare that saves you money — no matter where you are on your healthcare journey

With Accolade, you get a care team that:

- Takes the time to listen to your specific needs
- Makes healthcare easier with both in-person and virtual care options
- Understands your health plan coverage and can help you avoid unexpected costs
- Can arrange for a second opinion at no cost to help you feel confident about important medical decisions
- Connects you to benefits that will be most valuable for you

Virtual Care

With Accolade Care, you can speak with a board-certified primary care doctor or licensed therapist from your phone or computer – day or night. Your online doctor can treat urgent and ongoing conditions, and even send prescriptions to your local pharmacy.

Expert Medical Opinion

2nd.MD is Accolade's expert medical opinion service. They can arrange for a second opinion at no cost from a world-renowned doctor about a diagnosis, treatment option, surgery or medication that you may be feeling unsure about.

Personalized Benefits Guidance

Your Accolade Health Assistant and nurse will be your first place to turn whenever you have a health or benefits question. From discussing symptoms and finding care to explaining a confusing medical bill medication, just ask Accolade.
